

Iowa Customs On-Top Deck Plate Instructions

- 1. Identify all parts to ensure proper installation.
- 2. Remove Hardware Kit from Deck Plate
- 3. Reference your truck; Is your Truck single frame or double frame?
- 4. The Hardware Kit has (4) Mounting Clips and (4) Strips of Gasket. One of the (4) clips has a label stating, "Single Frame" or "Double Frame". Place (1) piece of gasket on the correct side of the clip.
- 5. Mount the clips with the supplied hardware as pictured.
- 6. Secure tightly.
