OUTSMART THE ELEMENTS™

Product Description:

The Rain-X® Weatherbeater® Professional Wiper Blade provides a smooth, clean, streak-free wipe by using embedded friction reducers and multiple pressure points to hug the windshield.

Key Benefits:

- Long lasting durability defined by a galvanized steel frame that prevents rust and corrosion
- All-natural rubber squeegee resists cracking, splitting and tearing caused by heat, cold, windshield wiper fluid and salt
- Helps prevent and remove sleet, snow, ice, bugs, and road spray from sticking to glass
- Multiple pressure points to hug the window to provide a smooth and streak free wipe
- High quality blade that meets or exceeds all OEM (original equipment manufacturers') standards
- Quick and easy to install
- 14 sizes provide 96% application coverage

Arm Types

Rain-X Weatherbeater Pro Blades Product Features

Bi-Directional, Galvanized Steel Frame

Benefits: Superior strength and durability – corrosion resistant, can be installed in both directions

Connector

Benefits: Easy to install and fits over 98% of all vehicles

Compression Molded Synthetic Squeegee

Benefits: Resists Cracking, Splitting, Permanent Set and Tearing for long-lasting, quiet and streak-free wipes.

Molded Retention Pockets

Benefit: Retains spines to prevent windshield damage

Stainless Steel Spines & Rivets

Benefit: Strengthens squeegee to create optimum pressure distribution – Streak-Free Wipes

Optimum # Pressure Points

Benefits: Provides better conformance to windshield, resulting in a better wipe

MEETS OR EXCEEDS: Permanent Set, **OEM specifications:** Quality, Durability and Construction
SAE J903 test parameters: Durability; Hot & Cold; Ozone, Corrosion and Chemical Resistance
